CHALLENGES

ADVISE

Have a flexible plan to launch the business-

Tightly manage Cashflow +rainyday funds

Have one or mentors to talk to

Use resources like SCORE and SBA

Avoid Legal issues at any cost (even sometimes if you are right)

Get a Good accountant but keep a pulse on the business on a monthly basis

Get 200% support of your spouse

Be prepared that one will have like life ups and downs

When you succeed share your success with your friends and community

Go for It !!

Leverage your Skills

Bring on new ideas how to do something

Provide a solution to a problem

Work for the world from Home

Partner with others to bring a launch a business

Remember – USA is the World's best country to start a Business

You can start a Business if you are a legal resident , so need not be a Citizen

Not for me, but I can do this !
